For further information and/or help, please contact the Cliosoft Export Control Specialist.

1. EVALUATION USE

Notwithstanding any contrary terms to any End-User Software License And Maintenance Agreement by and between Cliosoft and you, you acknowledge and agree that any evaluation license for any Licensed Product received from Cliosoft shall be used by you only for the purpose of evaluating it and deciding whether to purchase a license. You shall not use the Licensed Product to design any integrated circuits for production or pre-production purposes or any other commercial use including, but not limited to, for the benefit of your customer. You hereby acknowledge that breaches the forgoing restrictions could cause irreparable harm and significant injury to Cliosoft that may be difficult to ascertain. Accordingly, you agree that Cliosoft will have the right to terminate the evaluation license, seek and obtain immediate injunctive relief to enforce obligations under this letter and the License Agreement in addition to any other rights and remedies it may have.

2. EXPORT CONTROLS

You agree that the goods, software, and technology subject to this letter are subject to the export control laws and regulations of the United States, including but not limited to the Export Administration Regulations (“EAR”), and sanctions regulations of the U.S. Department of Treasury, Office of Foreign Asset Controls and that you will comply with these laws and regulations. Without limiting the foregoing, you will not, without a U.S. Bureau of Industry and Security license or license exception, (i) export, re-export, or transfer any technology, software, or source code subject to this Agreement, either directly or indirectly, to any national of any country identified in Country Groups D:1, E:1, or E:2 as defined in the EARs, or (ii) export to any country identified in Country Groups D:1, E:1, or E:2 the direct product of the technology, software or source code, if such foreign produced product is subject to the national security controls as identified on the Commerce Control List (“CCL”). In addition, goods, software and any technology subject to this letter may not be exported, reexported, or transferred to (a) to any person or entity listed on the “Entity List”, “Denied Persons List” or the list of “Specifically Designated Nationals and Blocked Persons” as such lists are maintained by the U.S. Government, or (b) an end- user engaged in activities related to weapons of mass destruction. Such activities include but are not necessarily limited to activities related to: (1) the design, development, production, or use of nuclear materials, nuclear facilities, or nuclear weapons; (2) the design, development, production, or use of missiles or support of missiles projects; and (3) the design, development, production, or use of chemical or biological weapons
